Reds Withdraw From Suspected Buildup Sector

Tokyo, Monday, (AP)—A powerful U. S. Eighth Army task force crossed Parallel 38 north of Seoul yesterday and forced Reds to withdraw from a suspected buildup area.

Other Allied troops wrested two key heights from fiercely fighting Reds in rugged eastern Korea more than 10 miles north of 38.

In the air, 20 U. S. Sabre jets won a dog fight late yesterday with 25 Russian-type MIG 15 jets near the border of Manchuria and northwest Korea. The Sabres shot down one MIG and damaged six without loss to themselves.

Mae Ouster Probers United On One Point

Washington, (AP)—A Democrat and a Republican predicted yesterday that a Senate inquiry committee will conclude unanimously that the manner in which Gen. Douglas MacArthur was fired was "deplorable" and "indefensible."

The forecast came from Senators Sparkman (D-Ala.) and H. Alexander Smith (R-N.J.), members of the Senate Foreign Relations committee. That group and the Senate Armed Services committee are conducting a joint investigation of the dismissal of MacArthur by President Truman.

Sparkman and Smith discussed the prospects in separate interviews.

Senator Bridges (R-NH) said meanwhile that members of the two committees probably will be unanimous on only one other point at the end of the inquiry—that Mr. Truman had a constitutional right to oust MacArthur.

"From there on out," Bridges told reporters, "there will be disagreement, expressed in at least two reports."

Bridges, a member of the inquiry group, said he looks for just about an even split on the other issues, with most of the Republican members backing MacArthur's Korean war program and most Democrats in the administration corner.

The committees plan to act today on a subcommittee recommendation to speed up the inquiry, now in its seventh week.

Wilson Says Bill To Pass

Washington (AP)—Defense Mobilization Charles E. Wilson said yesterday he has "enough confidence in the Congress to believe they will recognize the necessity" of extending the defense production act as President Truman requested.

Mr. Wilson asked for a two-year extension with enlarged authority. The law now expires June 30.

Wilson turned thumbs down on a suggested four-month extension of the act as it stands. He indicated he believed that would only result in more hearings similar to those that have been under way before congressional committees for several weeks.

Wilson said:
1.—An aircraft production board, similar to one which operated in World War II, will be set up in the Defense Production administration within a month.
2.—A study has been ordered into the advisability of "encouraging" synthetic wool production in this country.

3.—Under present plans, the United States will have a potential capacity of 50,000 airplanes a year by 1953.
4.—The bill now before the House levying more than \$7,000,000 in additional taxes "is a good step in the right direction." But he said he is afraid there is "an element of 'soak the rich' in it and I think it goes too far in that respect."

Meanwhile, Senators said early returns from President Truman's radio and television appeal to the people to rally round the expiring price-wage controls law have been something less than conclusive.
Both Republican and Democratic lawmakers said they had hoped for an outpouring of mail to show what the public really thinks, but it has been slow to develop.

State Employees Ask Pay Raise

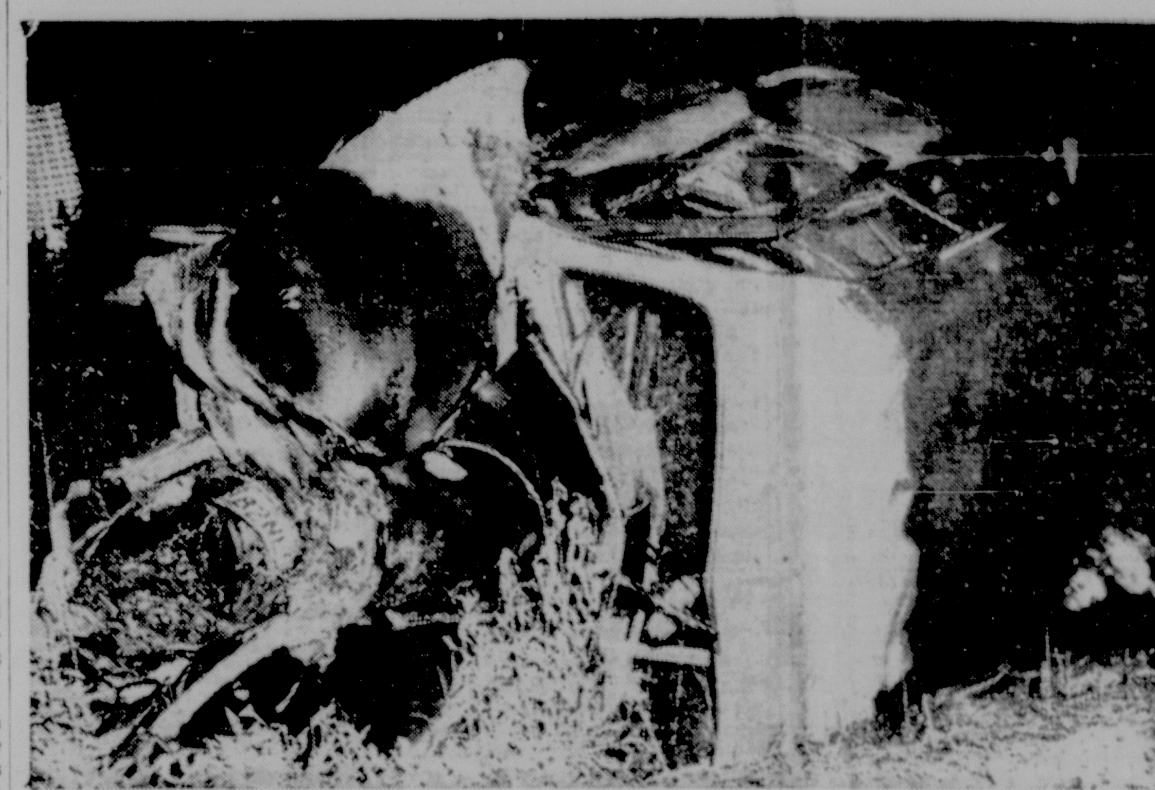

Harrisburg (AP)—The general assembly asked yesterday to grant a 15 per cent cost-of-living increase to the State's 50,000 employees.

The request was made by the Pennsylvania State Employees council, AFL, at its annual convention here yesterday.

President Ralph A. Harrah, of Warren, said the State's low salary level is causing it to lose its workers to industry and Federal agencies who are paying higher salaries.

VEHICLE IN ONE-CAR FATALITY—Overturned car of Stanley Willis George, 28, of Kunkletown RD 2, is shown after firemen of the West End Fire Co. extinguished fire which broke out after the machine ran off Route 209 at Gilbert, struck a tree, and overturned. George, who was returning alone from work, suffered fatal injuries and his body was burned.

Kunkletown RD Man Killed As Auto Crashes, Burns

Gilbert—Stanley Willis George, 28-year-old Kunkletown RD 2 steel worker, died in an auto accident here at 4:15 a. m. Saturday.

George was the sole occupant of his car as he drove westward on Route 209, apparently

on his return home from work, when the car left the right of the highway, hurdled a wide ditch, crashed into a pine tree, then overturned and burned.

Brookside State police said the car burst into flame immediately after hitting the tree and overturning near the residence of Justice of the Peace Nathaniel Gruber.

Justice Gruber and his family were aroused by the crash and the fire. The West End Fire Co. of Brookside was summoned, but it was impossible to free the victim's body until after the flames had been extinguished.

Pfc. Anthony Benche, who investigated for Brookside State police, said the accident was a one-vehicle mishap with no disinterested witnesses, a fact which has limited details of the crash.

But it was presumed yesterday that George was killed almost instantly. Justice Gruber, acting as deputy coroner, issued a certificate of accidental death.

Mr. George was born in Monroe county, the son of Robert George, Kresgeville, and the late Martha George. He served overseas during world war two and, since his discharge, had been employed at Bethlehem Steel Co. as a press operator.

He held membership in the Palmetton American Legion post, the Bowmanstown Rod and Gun club, and Trachville Lutheran church. In addition to his father, he is survived by five sisters, Mrs. Clair Buck, Palmetton RD 1; the Misses Patricia Ann, Annabelle and Betty George, all at home; a brother, Clark George, Gilbert; his maternal grandparents, Mr. and Mrs. Peter George, and his paternal grandmother, Mrs. Harry George.

Funeral services will be held at 2 p. m. today at the Trachville Lutheran church. William Kresge, funeral home, Brooksideville, will be in charge of arrangements.

Rev. Luther Wohlen, church pastor, will officiate, and the Palmetton American Legion will conduct special military rites. Interment will be in the Trachville cemetery.

Walker Denies He'll Resign

Harrisburg (AP)—Sen. John M. Walker, Republican Senate leader, said last night he was confident that neither Gov. John S. Fine nor the Republican Senate caucus is interested in changing the Senate leadership.

Walker, who broke with Fine in opposing the executive's deadlocked income tax, commented on reports that administration aides had suggested he resign as GOP floor leader.

"Some newspaper stories," Walker said, "have suggested that Sen. Newell Wood and Sen. Fred Hare were fostering a movement to oust me. This is not true.

"We are all very good friends and the rumors have been embarrassing to all of us. Even if there is a sincere difference of opinion over legislation, there is nothing but continued friendly relationships in the Republican caucus."

Colorful Judge Fatally Stricken

Washington, (AP)—Federal Judge T. Alan Goldsborough, the colorful American jurist who in two trials levied fines totaling nearly five million dollars against John L. Lewis and his United Mine Workers, will be buried in his home town of Denton, Md., Tuesday.

The 73-year-old judge was stricken with a heart attack and died here Saturday night while attending a Father's day dinner in his honor at the home of his daughter-in-law, Mrs. T. Alan Goldsborough Jr. He also was celebrating his 42nd wedding anniversary.

Food Bunker Entombs Man For Six Years

Warsaw, (AP)—A German soldier buried alive six years ago in an abandoned food bunker has lived through his long entombment and now is in a hospital, reliable sources reported yesterday.

They said the man emerged from his subterranean prison 20 miles from Gdynia with a beard reaching his knees and his hair hanging almost to his ankles. Frightened Polish workers fled when he made his way into the daylight.

Another man staggered out behind him, informants said, but dropped and died of a heart attack at the moment of his deliverance.

This all happened in the last week of May. How they finally made their way out of the bunker was not explained by authorities who became concerned with the case. And all that could be learned about the survivor's identity was that they came from Berlin. He said he was 32 years old.

Officials in Gdynia were reluctant to discuss the case, but other sources who said they had knowledge of the man's experience said:

The German, hospitalized at Gdansk and being treated for blindness after spending the last two years of his imprisonment in total darkness, was the only survivor of six soldiers trapped in the bunker.

The Germans, retreating from the Russians, blasted the bunker entrance closed, unaware that six soldiers had entered the storehouse bent on stealing from the stocks of food, wine, tobacco and other stores.

There was plenty of food, cigarettes and matches for the imprisoned men.

There was a store of candles that lasted until two years ago.

Water seeped through the cracks in the reinforced concrete and the men stretched out this supply by mixing it with Rhine wine. Water was for drinking only.

They washed in schnapps.

Shortly after their entombment one man committed suicide. Another took his own life a few weeks later. Two others died of illness.

There were no tools to break up the concrete so the dead were buried in flour which mummified their bodies.

Woman Killed In Crash Of Speeding Car

Scranton, (AP)—Mrs. Martha Samuels, 23, of New York was killed in the crash of an automobile which State police say she chased about eight miles on the Scranton-Daleville highway.

Slightly injured in the accident Saturday were Stanley Pacholec, 29, and Charles Haberek, 32, both of Scranton.

Pacholec was arraigned on a charge of involuntary manslaughter and released on \$2,500 bail for grand jury action.

Mrs. Samuels had come to Scranton to attend the funeral Friday of her brother, Pfc. Michael Galeite, who was killed in Korea. She formerly resided here.

Few Deer Die Of Malnutrition

Harrisburg (AP)—The State Game commission reported yesterday that few deer died of malnutrition in Pennsylvania last winter.

"Summer and fall floods were plentiful in 1950, and the deer in this state went into the cold weather carrying a heavy layer of fat," a commission spokesman said. "Also, severe weather struck Pennsylvania early, when these animals were in condition to withstand it best."

Ship Strike Ties Up 23 Major Ports

New York (AP)—An official of the CIO National Maritime union, whose 60,000 members have refused to sail until contract demands are met, said yesterday that no more American passenger ships carrying tourist trade would move from the nation's piers until the dispute is settled.

M. Hedley Stone, NMU treasurer, issued the statement as the country's 23 major ports, normally quiet on a weekend, barely stirred under the impact of the tie-up at 650 ships.

However, the unions involved in the "no contract-no work" edict are handling vessels carrying Korean and other vital defense cargoes.

Full effect of the work stoppage will be felt tomorrow, when the big ports usually teem with activity.

Federal mediators, who worked feverishly past the Friday midnight contract deadline in a futile effort to settle the dispute between the unions and shipowners, are scheduled to meet again today.

CIO unions involved, beside the big NMU, are the Marine Engineers Beneficial association and the American Radio association.

Scattering Of Plants Urged

Washington (AP)—The possibility of an atomic attack makes it imperative to scatter America's industrial plants, a Senate-House economic committee staff report said last night.

The report added, however, that the actual trend under the government's defense program is toward even greater concentration in existing industrial areas.

The committee staff recommended that the defense production act, which congressional committees are now considering for extension and broadening, be amended with a view to reversing the trend wherever practicable. The present law expires June 30.

The report suggested new provisions aimed at requiring the establishment of new plant facilities to the greatest extent possible "in areas which have greater geographic security from enemy attack."

No adequate government procedure now exists to provide for dispersal under Federal loan programs or under the defense plant tax amortization program, the report said.

Communists Lose Seats In Assembly

Paris, Monday, (AP)—Gen. Charles de Gaulle's new political party, the Rally of the French People (RPF), emerged today as a powerful new force in returns from France's national election, scoring at the expense of middle-of-the-road parties which have ruled the nation for four years.

The Communists, maintaining their place as the largest single party in France on the basis of popular vote, were losing seats in the National Assembly. At the halfway mark the Communist popular vote total was running at 23.7 per cent. The Communists won 28.6 of the popular vote in 1946 in the last National elections.

On the basis of returns as of 4:15 a. m. today (11:30 p. m. Sunday EDT), De Gaulle's RPF had secured 33 seats of the 627 to be filled. Observers said he might pick up at least 100 more. The Communists had lost 33 of the 183 they held in the last National Assembly. The Communist party had secured 41 seats at the halfway mark in the counting of the 20,000,000 ballots cast yesterday, but under the new French electoral law the Communists seemed likely to lose many assembly members, feeling 650 ships.

Foreign Minister Robert Schuman scraped through for reelection to the assembly. His Popular Republican Movement (MRP), which was the second largest group in the last assembly, lost 28 of its 193 seats, mostly to the RPF. Schuman's difficulties were blamed on dislike of his plan for pooling of French and German iron and steel resources in his mining district constituency.

The Socialists picked up three seats and the Left Republicans five. Both parties have joined the MRP and some independents to form cabinets during the past four years.

Premier Henri Queuille, Defense Minister Jules Moch, ex-Premier Paul Reynaud and ex-Premier Edouard Deladier also were reelected to the assembly.

Final results will be a long time coming because of the complex French method of picking winners. Thus it would be clear whether the center parties would have enough deputies to form a coalition to govern.

If this type of combination can no longer be made, it may be hard to find any cabinet at all. No party will join with the Communists, and the De Gaulleists also may find it hard to win Allies.

Board Controls Pay Of Bosses

Washington, (AP)—The government served notice yesterday that it will be as tough in approving salary boosts for executives as in okaying pay increases for their workers.

This was announced as a basic policy by Joseph D. Cooper, executive director of the Salary Stabilization board, an agency just getting down to work.

The central objective of the new SSB, he said in a report to Economic Stabilizer Eric Johnston, is "to afford equal treatment under law for employees under its jurisdiction as compared with those under jurisdiction of the wage stabilization board."

Students Lured To Red China

Singapore, (AP)—Glittering promises and "come back to China" groups are luring hundreds of wide-eyed Chinese students from Singapore to Red China. The prospect of becoming leaders of the masses and building a greater China is held out to the youngsters. Police have located undercover rings specializing in this work.

A police spokesman said the exodus began when the Communists took over the government of China 18 months ago.

"These youngsters were fired by appeals to work for the fatherland and they answered the call," he said. "Many left without the knowledge of their parents."

125 Pints Of Blood Set As Goal For Mobile Unit's Visit To Legion Post Home

Seeking a minimum of 125 pints of blood, major share of which will move immediately to the Korean battlefronts, the Monroe county chapter, American Red Cross blood donor program will be again operative here this Wednesday.

LeRoy Mikels, chairman of the program, said the mobile blood donor unit with nurses and technicians, will set up at the George N. Kemp Post, 346, American Legion home from 10 a. m. to 4 p. m., Wednesday.

Bloodmobile At Pen Argyl On Tuesday

Portland—Local blood is needed desperately to help replenish that being lost in Korea. A Red Cross bloodmobile is scheduled to be in Pen Argyl at Zion Methodist church on Tuesday from 1 to 6:30 p. m.

Two hundred volunteers are needed from the State Belt area to donate blood at that time. All 200 are needed to fill the quota of 150 pints of whole blood which will be flown to the Korean battlefronts.

Anyone wishing further information on this vitally needed help for the boys in Korea, should contact Mr. or Mrs. Henry Webb, local field representatives for the Red Cross. Their telephone number is Portland 19 R 2.

Rites Conducted For Mr. Fenner

Child Injured When Struck By Automobile

George Bush, five-year-old son of Mr. and Mrs. C. G. Bush Jr., Stroudsburg RD 3, escaped serious injury last night when he accidentally ran in front of a car when walking with his sister on Chippendale drive in Stroudsburg township.

The car was unable to stop in time, and the lad suffered slight bruises and cuts when hit a glancing blow by the automobile. Wayne D. Metzgar, of Analomink, the driver, took the lad to Monroe County General hospital for examination.

Hospital authorities said last night that the lad's injuries appeared only superficial, but added that he was held overnight for observation.

Motor Cars In Collision

Marshall Creek—Two Philadelphia area motorists were involved in a collision on the Winona Five Falls road north of here in Middle Smithfield township shortly after 10:45 a. m. yesterday.

Cars operated by L. Merrick Wood, 33, of 210 S. Thirty-Ninth St., Philadelphia, and Joseph W. Maxwell, of 412 Sylvania Ave., Glenside, sideswiped on the legislative route, according to Pfc. Peter E. Sabinsky, of Stroudsburg State police.

Both cars were driven from the scene, however. The Wood vehicle was a 1950 heavy model sedan coupe, while Maxwell was driving a 1951 sedan.

Investigation is being continued.

Father's Day Has Six-Fold Meaning For Local Navy Personnel Man On Board USS Shadwell

Father's day is one day looked forward to by Jacob H. Pensyl, a first-class personnel man on board the USS Shadwell, for he has the distinction of being the proud father of the largest family of any member on board the ship.

Yesterday, the 27-year-old father received "love and congratulations" sixfold. Five young girls and one boy answer the roll-call in the Pensyl household. The boy and his twin sister are two and half years old.

The Shadwell, Pensyl's present duty station, is a landing ship, dock vessel attached to the U. S. Atlantic Amphibious force, commanded by Vice Adm. R. P. Briscoe, USN.

A native of Pennsylvania, Pensyl is the son of Mrs. Irene E. Pensyl of Stroudsburg RD 2, and the husband of the former Ida Lorraine Carlson of Essington, Pa. He enlisted in the Naval service upon graduation from Stroudsburg High school and received his recruit training at Newport, R. I., and was first assigned to the USS MT. Vernon (P-22).

While at New Caledonia he was transferred to the USS Montpelier, a light cruiser. He was later assigned shore duty in Philadelphia for four years. In

the summer of 1950 while on duty at Newport, R. I., he inaugurated and operated the personnel office of the Reserve Officers Candidate school.

In September of last year, he was ordered to the USS Shadwell, the day after it was reactivated at Orange, Texas. He has been serving on board since that date.

During the war he served in both Atlantic and Pacific theaters of operations. He was on duty in the North Atlantic at the end of World War Two.

Fresh Air Coupon On Page Two

An easy-to-use coupon for inviting Fresh Air children from New York City for two weeks in the Poconos starting July 10 is carried on Page 2 of today's issue of The Daily Record.

Deadline for filing applications for children is June 29. Many of last year's hosts are asking their little guests of a year ago back for another vacation away from the hot, drab treeless tenement districts.

Applications should be mailed to The Daily Record, or call Radio Station WFPO, 1102.

College Plans Driver Clinic

Howard R. DeNike, instructor in health and physical education at the East Stroudsburg State Teachers College, announced last night that there will be a safety drivers training clinic conducted at the college from June 25 through June 28.

The clinic will be sponsored by the Atlantic Refining Co. They are sending George Lowe, director of traffic safety education, who, with Mr. DeNike, will be in charge of the clinic.

Three expert driver-teachers will give unusual demonstrations of driving with cars specially made for this purpose. Movies on highway safety and other equipment will also be presented at the clinic.

College students, faculty members, and any other interested persons are invited to attend the clinic.

West Catasauqua Women Hurt In Automobile Crash

Ross Common—Two persons were injured late yesterday when the automobile, in which they were riding, was struck by another machine on Route 115 here.

Mrs. Ardella B. Schlauch, 38, of 1228 Main St., West Catasauqua, suffered injuries to the head and arms and possible internal injuries, while Joan Schlauch, 17, received injuries of the head and right arm.

Both received emergency treatment from a Wind Gap physician, after the Wind Gap ambulance was called.

Brookheads State police said the injured were riding in a car owned and operated by Lohr Schlauch, 39, of the same West Catasauqua address, when the Schlauch sedan was hit by another driven by Dora M. Stuber, 67, of 728 N. Eighth St., Allentown.

The Stuber car was traveling south on Route 115 when it went out of control, police said. It shot off the right side of the highway and was brought back on again, but then swung over into the northbound lane where it collided with the Schlauch machine.

Moderate Flow Of Traffic Noted Over Weekend

Traffic over Pocono Mountain regional highways ranged from "moderate" to "fair" yesterday on the last weekend of the official spring season.

Stroudsburg State police reported that two-way traffic on Route 611 at the slide section near Slateford was maintained all day with Highway department watchmen remaining on duty there.

Reversion to one-way traffic there is expected today when Plummer Construction Co. crews return to the task of removing a large section of the steep slope on the west side of the highway.

Sub-Contract Work Offered Local Plants

Local manufacturers are invited to a Pocono Mountains Chamber of Commerce board of directors meeting in Penn-Stroud hotel at noon today to discuss possibilities of handling sub-contract work for the Minneapolis-Honeywell Regulator Co., Brown Instrument Division, Wayne and Windrim Ave., Philadelphia.

This firm is seeking sub-contractors for the following products. Chamber of Commerce officials announced during the week-end.

Swiss automatic screw machine products, wire feed screw machine products, turret lathe products. No. OG Brown and Sharpe screw machine products, No. OG Brown and Sharpe automatic screw machine products; No. G. Brown and Sharpe automatic screw machine products.

Chamber officials said all materials will be supplied and delivered by the prime contractor. The company will sub-contract about 15,000 machine hours of work this month and 20,000 to 25,000 machine hours of work monthly for the remainder of the year. Between now and the end of the year there will also be approximately 20,000 hours of tool and die work to be sub-contracted.

Manufacturers within 100 miles of Philadelphia must have at least five machines available. Interested operators in this community will be given full information on whom to contact and where at today's meeting of the chamber.

Miss Ruth Nielsen Becomes Bride Of Albert P. Treible

Standing beneath a rose covered arbor, Miss Ruth Nielsen, daughter of Mr. and Mrs. Hans G. Nielsen, of 51 Bridge St., Stroudsburg, was wedded to Albert P. Treible, son of Mr. and Mrs. Charles Treible, of 1410 N. Fifth St., also Stroudsburg, at Pilgrim Holiness church at 2:30 p. m., Saturday.

Rev. Edward T. Huston, pastor of the church, was the officiating clergyman. Included in the church decorations was the white aisle runner extending from the vestibule to the altar. A small spray of roses fastened with white satin ribbon decorated the end of each pew.

The bride who was given in marriage by her father, wore a gown of lace trimmed marquisette over white slipper satin with a fitted bodice and illusion yoke bordered by a Bertha collar of lace. The long tight sleeves ended in points edged with lace and the full skirt ended in a train. Her fingertip veil of illusion net fell from a beaded crown. She carried a cascade arm bouquet of white roses and baby's breath.

The matron-of-honor was Mrs. Paul Nielsen, of Bristol, Conn., while Mrs. John Norton, of East Stroudsburg, acted as bridesmaid. The flower girl was Miss Joan Norton, daughter of Mr. and Mrs. John Norton, of Stroudsburg.

The matron-of-honor wore a pink gown with a lace blouse and a full skirt and sash of bibbed taffeta. Her pink shoulder length veil hung from a matching tiara. Mrs. Norton, the bridesmaid was similarly attired in blue. They both carried cascade bouquets of Esther Reed daisies and baby's breath.

The flower girl wore a gown of yellow organza with net overskirt dotted with lilac colored rosettes and carried a basket of mixed flowers.

The best man was Paul Nielsen, brother of the bride, of Bristol, Conn., while the ushers were John Norton, of East Stroudsburg, and Kendall Cramer, brother-in-law of the bridegroom, of Stroudsburg. Paul Warner, son of Mr. and Mrs. Robert Warner, served as junior attendant.

The bride's mother wore a blue silk street length dress with white accessories. The mother of the bridegroom was also attired in blue silk street length dress with white accessories. They both had corsages of pink roses.

A reception followed the wedding for 75 guests at the home of the bride. The table was centered with a large six-layer cross-shaped cake upon which was placed a miniature bride and bridegroom. Two double candleholders were placed at opposite corners of the cake. The room was beautifully decorated with white crepe paper and wedding bells and roses.

Mr. and Mrs. Treible left on a wedding trip to Niagara Falls and points in Canada. The bride wore an aqua summer suit with white accessories and an orchid corsage. They will make their home at 461 Oakwood Ave., Stroudsburg.

The bride is a graduate of Chestnut Hill High school and Churchman Business College, Easton, and is employed in the office of the Empire Box Co. Inc. The bridegroom, a graduate of Stroudsburg High school, is employed at the Stroudsburg hosiery mills.

Auxiliary To Help Firemen At Carnival

Mount Pocono — The Ladies auxiliary of the Pocono Mountain Fire company met on Tuesday night in the fire hall with 24 members in attendance. Mrs. Ray Simmons presided during the business meeting at which time routine matters of business were transacted.

Louis DePaul, representing the fire company, was present and stated the firemen would assist the auxiliary in the usual manner in carrying out their projects for the annual carnival which will be held July 23-28 inclusive. The ladies will again be in charge of the food, soft drink and ice cream concessions.

Mr. DePaul also mentioned that the firemen would like the auxiliary to serve meals to those assisting with the erection of stands on the carnival grounds on the Saturday and Sunday prior to the carnival and on the Sunday following when the stands would be dismantled.

Mrs. Simmons welcomed one new member, Miss Mae Foley and appointed her hostess committee for the June 26 meeting which include: Mrs. Paul Falor, Mrs. Paul DeSanto, Mrs. Norman Fansen and Miss Esther Foley. Mrs. LeRoy Cruse and her committee served refreshments at the close of the meeting.

Jean Trach Sets June 24 Wedding Day

Saylorsburg — The marriage of Miss Jean Trach, daughter of Mr. and Mrs. Thomas Trach, Saylorsburg, to Samuel Callie, son of Mr. and Mrs. Harry Callie, East Bangor, will take place, Sunday, June 24, at Lady of Mt. Carmel Church, Roseto.

Miss Angelina Romano, cousin of bridegroom, will act as maid-of-honor and Miss Carol Pysker, friend of bride, and Miss Jeanne Person, cousin of bride, will act as bridesmaids.

Harry D. Callie, brother of bridegroom, will serve as best man. The ushers will be Ralph Stampton and Albert Janetti.

A reception will follow for the immediate family. After a southern wedding trip they will be at their newly furnished home in East Bangor.

Services Held At Portland For Children

Portland — A combined service of worship and Children's Day was held on Sunday morning, June 10 in the Methodist church of town, Rev. Merritt Godshalk, pastor. Dr. John Wildrick, superintendent, presided.

Becker-Gagnon Wedding Performed On Saturday

The East Stroudsburg Methodist church was the scene of the wedding of Miss Doris Ann Gagnon, daughter of Mr. and Mrs. Paul O. Gagnon, of 104 Prospect St., East Stroudsburg, and James Walter Becker, son of Mr. and Mrs. Earl F. Becker, of 68 N. Third St., Bangor.

The double ring ceremony was performed at 11 o'clock Saturday morning before the altar banked with laurel blossoms by Rev. Harold C. Eaton, pastor of the church, in the presence of many relatives and friends.

The church organist, Ernest Michelfelder, played a suitable wedding music before and during the ceremony. Miss Doris Haase, of East Stroudsburg, soloist, sang "I Love You Truly," "Because" and "O Promise Me."

The bride was given in marriage by her father. She was attired in a white lace ballarina length strapless gown with jacket with long pointed sleeves, high collar, matching lace cap with nylon illusion shoulder length veil. She carried a white Bible on which was an all white orchid with streamers linking baby's breath.

The maid of honor was Miss Joan H. Chobey, of 343 Crystal St., East Stroudsburg, who wore a light green net ballarina length gown trimmed in lace with matching hat, mitts and shoes. She carried a colonial bouquet of mixed spring flowers tied with matching green ribbon.

Earl F. Becker was his brother's best man. The ushers were William Straub and Barry Becker, brother of the bridegroom, all of Bangor.

The bride's mother wore a navy blue sheer dress with white accessories and the bridegroom's mother also a navy blue sheer dress with navy blue accessories. Both wore corsages of yellow roses.

The ceremony was followed by a reception at the CLU club from noon on for several hundred people including many guests from out of town and relatives from Montreal, Can. The bride's table was centered with a huge three-tiered square wedding cake surmounted with the traditional miniature bride and bridegroom. The table was decorated with spring flowers. An orchestra from Scranton furnished the dance music.

The newlyweds are enjoying a week's honeymoon visit at Atlantic City, N. J. The bride's traveling attire consisted of a black and white dress suit with white accessories and a pure white orchid corsage. They will be at home to their friends after July 1 at 41 S. Tenth St., Easton, in their newly furnished apartment.

The bride is a graduate of East Stroudsburg High school in the class of 1949. She is a telephone operator and has been transferred from Stroudsburg to the Easton office.

The bridegroom, who was graduated from Bangor High

East Stroudsburg Couple Joined In Holy Wedlock

Miss Constance Mae Hartzell, daughter of Mr. and Mrs. Clair H. Hartzell, of 516 N. Courtland St., became the bride of Graydon Foster Nevil, son of Mr. and Mrs. Graydon Nevil, of 148 Day St., East Stroudsburg, at a quiet but impressive wedding Saturday afternoon.

The ceremony was performed at the East Stroudsburg Methodist church with Rev. Harold C. Eaton, pastor, officiating. Bouquets of spring flowers were used for the church decorations. Wedding music was furnished by Ernest Michelfelder, church organist.

The bride, who was given in marriage by her father, wore an aqua organza gown with brocade flower long pointed sleeves on a bolero jacket and white accessories. She carried a ballarina bouquet.

The main-of-honor was Miss Vivian Hartzell, sister of the bride. She wore a pink nylon dress with white accessories and also carried a ballarina bouquet, similar to that of the bride. William L. Hudock acted as best man.

The bride's mother wore a print dress of pink and gray with white accessories and a corsage of pink roses. The mother of the bridegroom chose a tan dress with white accessories. Her corsage was made up of Tailsman roses.

A small reception for immediate members of the families and friends was held at the bride's home following the wedding ceremony.

Mr. and Mrs. Nevil left later on a wedding trip of unannounced destination. The bride chose a light tan suit with red accessories and a corsage of red roses for traveling. On their return, they will reside in their newly furnished home, 77 Broad St., East Stroudsburg.

Cuts Grass, Cultivates, Plows Snow

Attention outdoor men! Have you ever thought that you could own a machine that would cut grass, cultivate your garden, and plow snow. Believe it or not there is just such a machine today on the market reasonably priced to suit the average home owner's pocket. This outstanding machine is the Choremaster.

This is where the versatile Choremaster comes into its own. This precision built one-wheel garden tractor is really a year-round labor saver as the Choremaster can be used in the spring time for cultivating, cutting grass in the summer, sharpening tools or cutting wood in the fall and snow plowing in winter time. This can all be accomplished with a variety of attachments that can easily be installed in a matter of minutes.

Joseph H. Andre, of Stroudsburg RD 2, is the representative for the Choremaster in this area. Here are some of the outstanding features of the advantage machine.

One practical unit for all your jobs. Through precision built gear reduction, the Choremaster puts all the power of the 2 to 3 h.p. air-cooled engine into doing the job. From an economy angle, the Choremaster offers small investment yielding years of dividends. Initial cost of Choremaster and attachments is amazingly low. Maintenance and gas consumption are negligible. This versatile machine is engineered and precision built by one of the industry's famous firms. The Choremaster is produced to bring you top quality.

Between the row cultivation—the one wheel feature of the Choremaster permits cultivation at any time during the growing season. Operation ease—proper weight distribution makes the Choremaster well balanced and easy to handle. Clutch and throttle on the handles provide fingertip control. Attachments—The attachments are either mounted from front or rear of the Choremaster in a matter of minutes, enabling quick change for numerous jobs. Centrifugal clutch—This accessory provides complete control of the Choremaster by the throttle, saves engine life and makes

attachments easy to handle.

Some of the attachments that can be installed on your Choremaster in a matter of minutes include a sickle bar, belt reduction and gear box type. These are the mowers for heavy duty grass and weed cutting. Thirty-two inch sickle bar is driven from the tractor's high speed power take off. Trims close to fences. Easily maneuvered in and out of corners. Three points of ground contact permits mowing over all ground contours. Gear box type with anti-friction bearings throughout level gear box and pitman for long life.

It also has a Seedmaster seeder for planting large area. Attaches easily to Choremaster; driven by slow power take-off. Centrifugal clutch feature controls seeds at all times; for every type of garden seed.

Hitch your present hand mower to Choremaster power and this low cost universal hitch does the trick. Merely substitute universal lawn mower hitch for the present handle, attach to Choremaster; and presto! A power mower.

There is an air compressor which is attached to Choremaster power which does work in a matter of minutes, which ordinarily takes hours to do. Indispensable for the general upkeep work, painting, fumigation, disinfecting, greasing and tire pumping. Supplies three cu. ft. at 60 lbs. pressure.

Walks and drives come clean in a hurry with the "Choremaster" snow plow. Broad sweep all-steel blade cuts 24 inch path even in deep snow. Use plow for leveling and light grading when winter's

over. Dozer blade also available in 30-inch width.

Seedmaster seeder—For planting large areas. Attaches easily to Choremaster; driven by slow power take-off. Centrifugal clutch feature controls seeds at all times; for every type of garden seed.

2-4 D weed sprayer—Insures proper weed control; treats 1/4 of an acre of lawn per hour. Entire spray unit mounted or detached in 5 to 10 minutes. Boom adjustable for spraying in high weeds, sprays solid 110 inches wide. Change nozzles to spray garden or shrubs.

The U. S. farm plant — land, buildings, livestock and equipment is estimated to be worth about \$91 billion.

Father, Son Face Charges After Wreck

A father and son will be arraigned before Justice of the Peace Marshall H. Neyhart at 7 tonight on a series of charges resulting from an auto collision near their home in East Stroudsburg shortly after 9:40 p.m. Saturday.

East borough police yesterday identified the defendants as Fred Hine and his son, Carl, both of 467 Lincoln Ave.

According to Assistant Chief Travis J. Seese, who with Officer Donald G. Quick, investigated the incident, the Hine lines were driving eastward on Lincoln Ave. Saturday, apparently en route to their home, when their car veered into the path of an oncoming car, struck it, and then smashed into a parked vehicle.

The other motorist involved was Salem M. Thomas, who resides at the Monroe County YMCA, Stroudsburg. Chief Seese said Thomas was headed in the opposite direction on Lincoln Ave., when the Hine line car, owned by Fred Hine and operated by Carl Hine, bore down upon Thomas.

The Hine line machine struck the front left section of Thomas' sedan, then veered to the right and damaged a car owned by Robert Pugh, 350 Lincoln Ave. Pugh had previously parked his machine in front of his home.

Police said both Hine lines were held, Carl for excessive speeding and disorderly conduct, and Fred Hine for drunken and disorderly conduct.

Miss Jenkins Is Graduated

At the graduation ceremonies held last week at Kenwood High school, Baltimore county, Md., Miss Lee L. Jenkins, formerly of East Stroudsburg, graduated with scholastic honors.

The commencement was held in the Baltimore Polytechnic Institute auditorium in Baltimore City, the spacious quarters being thronged by the 250 graduates and their friends.

Miss Jenkins is the daughter of Mr. and Mrs. George L. Jenkins of Oliver Beach, Baltimore county. The family formerly resided on Washington St., East Stroudsburg. Miss Jenkins is the granddaughter of William P. Deering, formerly editor of The Daily Record.

An accomplished photographer, Miss Jenkins was the official senior class photographer of the school. She has been accepted for enrollment in the University of Maryland in September.

PLANNING DETAILS of the fashion to be held in connection with the Laurel Blossom Festival ball at Shawnee Inn, Wednesday at 8 p. m. are Fran Gardner, fashion coordinator for Fabrics by Joyce, New York City; Walt Fossa, publicity director for Laurel Festival and Percy Lembke, owner of Fabrics by Joyce.

Experts In Fashion World Coordinate Details For Laurel Blossom Ball On Wednesday Night

Shawnee-on-Delaware — Fashion experts from New York City spent the week-end here coordinating details of their show which will be one of the main features of the Laurel Blossom Festival Ball Wednesday night at Shawnee Inn.

The ball, topped by the crowning of Miss Ruth Hussey, stage and screen star, as Queen of the 1951 Laurel Festival, will feature Tommy Tucker's orchestra for dancers. Miss Hussey, who will star at Pocono Playhouse the week of June 25 in "The Royal Family", was obtained for the Laurel committee by Mrs. Rowena Stevens, operator of the playhouse.

Walt Fossa, publicity director for Laurel Blossom ball, was host to the fashion experts Saturday night at the Penn-Stroud hotel.

Percy Lembke, head of the firm of Fabrics by Joyce, brought his top fashion co-ordinator, Fran Gardner, here to complete arrangements for a seven-star fashion show on the Green Terrace at Shawnee Inn at 8 p.m. Wednesday.

Added to the showings already set up will be the well known designer of Catalina bathing suits, Grace Arcuri; I. Miller and their newest creations in ladies shoes, and the young woman who made glamorous the use of scarves, Emily Wetherby.

Other top figures in the fashion

several days with Dr. and Mrs. Agnew Irwin.

Miss Betty Johnson accompanied by Miss Mary Heller, of East Stroudsburg and Mrs. Floyd Moyer, Jr., of Michaels, left early Friday morning for Kentucky where they will visit Dale Johnson and Kenneth Moyer who are in U. S. army camps.

Chemical Co. Truck Wins Second Prize

The Mack booster truck of Chemical Co., No. 1, Stroudsburg, was awarded second prize of \$35 for the second best appearing piece of the apparatus in the Four County Firemen's association parade at Lansford Saturday afternoon which climaxed the 54th annual convention held at that place.

The new aerial truck of Lehigh Fire Co., No. 1, Lehigh, took the first place, receiving \$50.

Lansford was jammed with humanity for the parade which was made up of close to 4,000 marchers, including fire companies, auxiliaries and musical organizations.

The Acme Hose Co., East Stroudsburg, marched with the Stroudsburg fire department in the parade. The George N. Kemp post, 316, American Legion Drum and Bugle Corps with the colors led the Stroudsburg group of 56 men.

Sgt. Frank Cannon, of the Hazleton headquarters, formerly located at the Stroudsburg barracks,

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 8 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Weygadt To Open Season July First

Camp Weygadt, one of the finest and largest Boy Scout reservations in the country, will begin its 28th year as a scout reservation on July 1.

There will be three regular periods during the season. The first period will begin July 1 and end July 15. The second period will begin July 15 and end July 29. The third period will begin July 29 and close August 12.

Located on the Delaware river in the Delaware Water Gap, two and one-half miles north of Columbia, N.J., Weygadt has long been a favorite place for those who like to spend their vacations camping. It is composed of 1284 acres, most of which is beautiful forest land.

There are eight unit camp sites on the premises equipped to give the scouts comfortable living and sleeping quarters. The food is prepared by Chef "Bill" Beasley, who is well known to campers at Weygadt as the "Indian Head."

Weygadt is also noted for their health and safety program. For the past nine years, the Delaware Valley Area Council has been awarded certificates by the state of New Jersey for good health and safety practices.

Accountants To Discuss Statement 23

Shawnee—Greater security for several hundred thousand Pennsylvanians is the major topic at today's opening sessions of the annual meeting of the Pennsylvania Institute of Certified Public Accountants at Shawnee Inn, Shawnee-on-Delaware.

Under consideration will be the little known "Statement 23," which calls for CPAs to abandon their noncommittal ways when preparing audits and to state clearly the thoroughness and reliability of the information on which their audits are based.

For more than a decade, accountants have given either an unqualified opinion or none at all. The new plan reverses this.

"Statement 23" suggests four ways for an auditor to express an opinion on his audit so that it can guide investors and stockholders.

Specifically, the plan provides: 1.—An unqualified opinion should accompany financial statements if the audit has been adequate and the accountant is satisfied the statements fairly present the financial position of the business and the results of its operations.

2.—A qualified opinion should be given if the accountant disagrees with some aspect of the accounting procedure or if the audit was too limited in scope for him to satisfy himself completely.

3.—An auditor should state clearly that he is not giving an opinion and give his reasons for such failure, when the audit is less in scope than he deems necessary to express an opinion on the financial statements as a whole, or when for any reason he is unable to state that the financial position of the client and the results of his operations for the period covered.

4.—A prominent warning, such as "prepared from the books without an audit," should appear on each page of a financial statement prepared without an audit. However, if the statements are accompanied by any comments from the accountant, the report should include a denial of opinion.

This "Statement 23" has been recommended to the Pennsylvania Institute for adoption by the American Institute of Accountants. Mr. and Mrs. William Quinn and family visited Mr. and Mrs. Daniel Mulligan.

Charles Martin, who has been ill for some time, is able to be up again.

The WSCS of the Pocono Lake Methodist church will meet at the church on June 20.

Jack Major and Merlyn May are spending a week at Lake Wallenau Pack Hawley.

Portland

Mrs. Gladys Carpenter
Ph. Portland 22-B

Mrs. Alfred Fisher is confined to her home with illness.

Daily Vacation Bible school for Portland and vicinity opened on Monday morning in the Portland school with about 50 enrolled. Rev. R. Edwards D.D., is the superintendent. He is pastor of the Mt. Bethel and Portland Presbyterian churches. The teachers are: Mrs. Harry Bellis, Mrs. Merritt Godshalk, Miss Barbara Seeley, Mrs. Arthur Oyer, Mrs. David Edwards, Mrs. Elias Jones and Miss Henrietta Wagner.

Mrs. Fred Shumaker of town, accompanied by her sister, Mrs. Ethel Leiser, of New Castle, spent Sunday with the former's son and daughter-in-law, Mr. and Mrs. Vernon Shumaker, at Binghamton, N.Y.

Mr. and Mrs. Carl Decker and daughter, Barbara, of Phillipsburg, N.J., spent the weekend with Mrs. Decker's parents, Mr. and Mrs. Blair Rusing and family.

Festival will start at five o'clock. Roy A. Smith, of Portland, has been named executor in the will of Amanda Engleman of Upper Mt. Bethel Twp. The will was admitted to probate by Register of Wills R. R. Radline at the County Court House at Easton.

The afternoon card club met at the home of Mrs. Frank Gardner on Tuesday afternoon, when bridge was enjoyed and prizes won by Mrs. Wallace Hutcheon and Mrs. Raymond Transue. Refreshments were served to: Mrs. Bert Transue, Mrs. Raymond Transue, Mrs. E. Randall Carpenter, Mrs. Ernest Courtney, Mrs. Jay Quick, Mrs. Wallace Hutcheon, Mrs. Harry Morgan and the hostess, Mrs. Frank Gardner. There will be no meeting of the club next Thursday due to the garden group's trip to the DuPont Gardens on that day.

Reds Withdraw From Suspected Buildup Sector

Tokyo, Monday, (AP)—A powerful U. S. Eighth Army task force crossed Parallel 38 north of Seoul yesterday and forced Reds to withdraw from a suspected buildup area.

Other Allied troops wrested two key heights from fiercely fighting Reds in rugged eastern Korea more than 10 miles north of 38.

In the air, 20 U.S. Sabre jets won a dog fight late yesterday with 25 Russian-type MIG 15 jets near the border of Manchuria and northwest Korea. The Sabres shot down one MIG and damaged six without loss to themselves.

Mac Ouster Probers United On One Point

Washington, (AP)—A Democrat and a Republican predicted yesterday that a Senate inquiry committee will conclude unanimously that the manner in which Gen. Douglas MacArthur was fired was "deplorable" and "indefensible."

The forecast came from Senators Sparkman (D-Ala.) and H. Alexander Smith (R-N.J.), members of the Senate Foreign relations committee. That group and the Senate Armed Services committee are conducting a joint investigation of the dismissal of MacArthur by President Truman.

Sparkman and Smith discussed the prospects in separate interviews.

Senator Bridges (R-NH) said meanwhile that members of the two committees probably will be unanimous on only one other point at the end of the inquiry—that Mr. Truman had a constitutional right to oust MacArthur. "From there on out," Bridges told reporters, "there will be disagreement, expressed in at least two reports."

Bridges, a member of the inquiry group, said he looks for just about an even split on the other issues, with most of the Republican members backing MacArthur's Korean war program and most Democrats in the administration corner.

The committees plan to act today on a subcommittee recommendation to speed up the inquiry, now in its seventh week.

Wilson Says Bill To Pass

Washington (AP)—Defense Mobilization Charles E. Wilson said yesterday he has "enough confidence in the Congress to believe they will recognize the necessity" of extending the defense production act as President Truman requested.

Mr. Truman asked for a two-year extension with enlarged authority. The law now expires June 30.

Wilson turned thumbs down on a suggested four-month extension of the act as it stands. He indicated he believed that would only result in more hearings similar to those that have been under way before congressional committees for several weeks.

Wilson said:
1.—An aircraft production board, similar to one which operated in World War II, will be set up in the Defense Production administration within a month.
2.—A study has been ordered into the advisability of "encouraging" synthetic wool production in this country.

3.—Under present plans, the United States will have a potential capacity of 50,000 airplanes a year by 1953.

4.—The bill now before the House levying more than \$7,000,000,000 in additional taxes "is a good step in the right direction." But he said he is afraid there is "an element of 'soak the rich' in it and I think it goes too far in that respect."

Meanwhile, Senators said early returns from President Truman's radio and television appeal to the people to rally round the expiring price-wage controls law have been something less than conclusive. Both Republican and Democratic lawmakers said they had hoped for an outpouring of mail to show what the public really thinks, but it has been slow to develop.

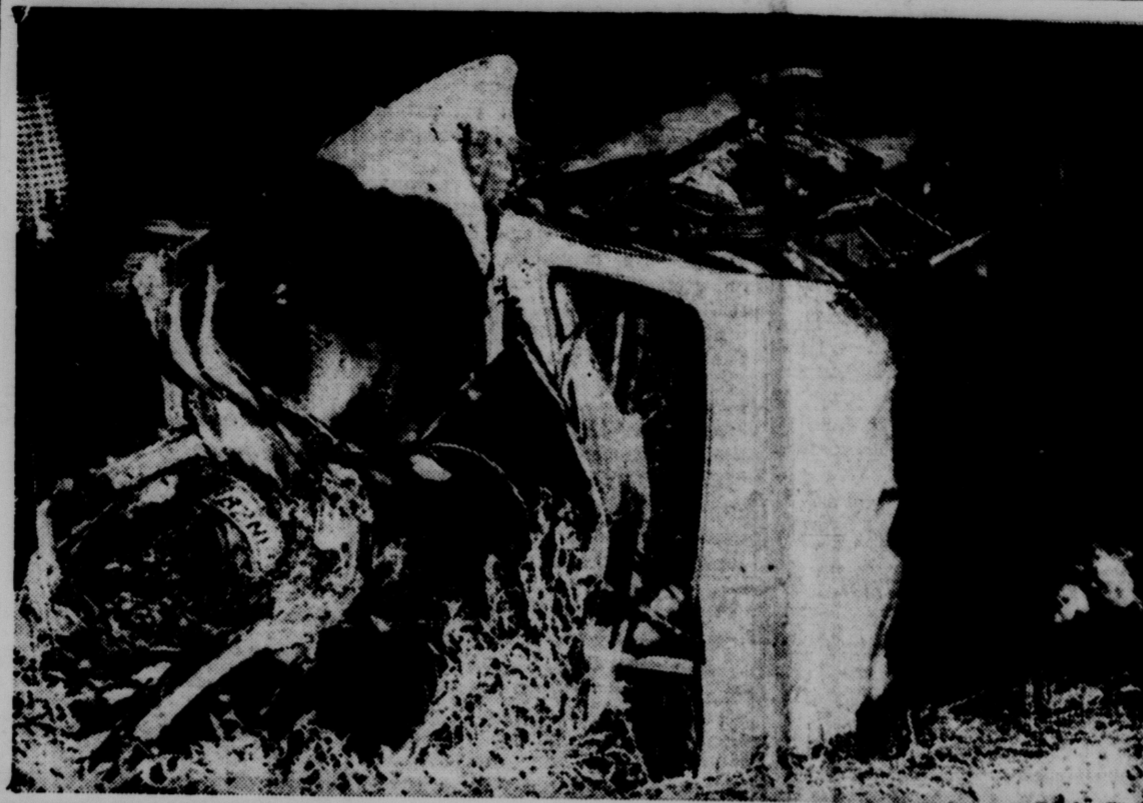

State Employees Ask Pay Raise

Harrisburg (AP)—The general assembly was asked yesterday to grant a 15 per cent cost-of-living increase to the State's 50,000 employees.

The request was made by the Pennsylvania State Employees council, AFL, at its annual convention here yesterday.

President Ralph A. Harrah, of Warren, said the State's low salary level is causing it to lose its workers to industry and Federal agencies who are paying higher salaries.

VEHICLE IN ONE-CAR FATALITY—Overturned car of Stanley Willis George, 28, of Kunkletown RD 2, is shown after firemen of the West End Fire Co. extinguished fire which broke out after the machine ran off Route 209 at Gilbert, struck a tree, and overturned. George, who was returning alone from work, suffered fatal injuries and his body was burned. (Daily Record photo)

Kunkletown RD Man Killed As Auto Crashes, Burns

Gilbert—Stanley Willis George, 28-year-old Kunkletown RD 2 steel worker, died in an auto accident here at 4:15 a. m. Saturday.

George was the sole occupant of his car as he drove westward on Route 209, apparently on his return home from work.

When the car left the right of the highway, hurdled a wide ditch, crashed into a pine tree, then overturned and burned.

Brookheads State police said the car burst into flame immediately after hitting the tree and overturning near the residence of Justice of the Peace Nathaniel Gruber.

Justice Gruber and his family were aroused by the crash and the fire. The West End Fire Co. of Brookheads was summoned, but it was impossible to free the victim's body until after the flames had been extinguished.

Pfc. Anthony Benche, who investigated for Brookheads State police, said the accident was a one-vehicle mishap with no disinterested witnesses, a fact which limited details of the crash.

But it was presumed yesterday that George was killed almost instantly. Justice Gruber, acting as deputy coroner, issued a certificate of accidental death.

Mr. George was born in Monroe county, the son of Robert George, Kresgeville, and the late Martha George. He served overseas during world war two and, since his discharge, had been employed at Bethlehem Steel Co. as a press operator.

He held membership in the Palmetton American Legion post, the Bowmanstown Rod and Gun club, and Trachsville Lutheran church.

In addition to his father, he is survived by five sisters, Mrs. Clair Buck, Palmerton RD 1; the Misses Patricia Ann, Annabelle and Betty George, all at home; a brother, Clark George, Gilbert; his maternal grandparents, Mr. and Mrs. Peter George, and his paternal grandmother, Mrs. Harry George.

Funeral services will be held at 2 p. m. today at the Trachsville Lutheran church. William Kresge funeral home, Brookheadsville, will be in charge of arrangements.

Rev. Luther Wohrman, church pastor, will officiate, and the Palmetton American Legion will conduct special military rites. Interment will be in the Trachsville cemetery.

Earlier, the U. S. President's vacationing daughter placed a wreath on the monument to Luxembourg's World War One dead in the center of the city. More than 500 Luxembourgers watched in silence.

Walker Denies He'll Resign

Harrisburg (AP)—Sen. John M. Walker, Republican Senate leader, said last night he was confident that neither Gov. John S. Fine nor the Republican Senate caucus is interested in changing the Senate leadership.

Walker, who broke with Fine in opposing the executive's deadlocked income tax, commented on reports that administration aides had suggested he resign as GOP floor leader.

"Some newspaper stories," Walker said, "have suggested that Sen. Newell Wood and Sen. Fred Hare were fostering a movement to oust me. This is not true."

"We are all very good friends and the rumors have been embarrassing to all of us. Even if there is a sincere difference of opinion over legislation, there is nothing but continued friendly relationships in the Republican caucus."

Food Bunker Entombs Man For Six Years

Warsaw, (AP)—A German soldier buried alive six years ago in an abandoned food bunker has lived through his long entombment and now is in a hospital, reliable sources reported yesterday.

They said the man emerged from his subterranean prison 20 miles from Gdynia with a beard reaching his knees and his hair hanging almost to his ankles. Frightened Polish workers fled when he made his way into the daylight.

Another man staggered out behind him, informants said, but dropped and died of a heart attack at the moment of his deliverance.

This all happened in the last week of May. How they finally made their way out of the bunker was not explained by authorities who became concerned with the case. And all that could be learned about the survivor's identity was that they came from Berlin. He said he was 32 years old.

Officials in Gdynia were reluctant to discuss the case, but other sources who said they had knowledge of the man's experience said:

The German, hospitalized at Gdansk and being treated for blindness after spending the last two years of his imprisonment in total darkness, was the only survivor of six soldiers trapped in the bunker.

The Germans, retreating from the Russians, blasted the bunker entrance closed, unaware that six soldiers had entered the storehouse bent on stealing from the stocks of food, wine, tobacco and other stores.

There was plenty of food, cigarettes and matches for the imprisoned men.

There was a store of candles that lasted until two years ago.

Water seeped through the cracks in the reinforced concrete and the men stretched out this supply by mixing it with Rhine wine. Water was for drinking only.

They washed in schnapps. Shortly after their entombment one man committed suicide. Another took his own life a few weeks later. Two others died of illness.

There were no tools to break up the concrete so the dead were buried in flour which mummified their bodies.

Woman Killed In Crash Of Speeding Car

Scranton, (AP)—Mrs. Martha Samuels, 23, of New York was killed in the crash of an automobile which State police say they chased about eight miles on the Scranton-Daleville highway.

Slightly injured in the accident Saturday were Stanley Pacholec, 29, and Charles Haberek, 32, both of Scranton.

Pacholec was arraigned on a charge of involuntary manslaughter and released on \$2,500 bail for grand jury action.

Mrs. Samuels had come to Scranton to attend the funeral Friday of her brother, Pfc. Michael Galletie, who was killed in Korea. She formerly resided here.

Few Deer Die Of Malnutrition

Harrisburg (AP)—The State Game commission reported yesterday that few deer died of malnutrition in Pennsylvania last winter.

"Summer and fall floods were plentiful in 1950, and the deer in this state went into the cold weather carrying a heavy layer of fat," a commission spokesman said. "Also, severe weather struck Pennsylvania early, when these animals were in condition to withstand it best."

Ship Strike Ties Up 23 Major Ports

New York (AP)—An official of the CIO National Maritime union, whose 60,000 members have refused to sail until contract demands are met, said yesterday that no more American passenger ships carrying tourist trade would move from the nation's piers until the dispute is settled.

M. Hedley Stone, N.M.U. treasurer, issued the statement as the country's 23 major ports, normally quiet on a weekend, barely stirred under the impact of the tie-up affecting 650 ships.

However, the unions involved in the "no contract-no work" edict are handling vessels carrying Korean and other vital defense cargoes.

Full effect of the work stoppage will be felt tomorrow, when the big ports usually teem with activity.

Federal mediators, who worked feverishly past the Friday midnight contract deadline in a futile effort to settle the dispute between the unions and shipowners, are scheduled to meet again today.

CIO unions involved, beside the big N.M.U., are the Marine Engineers Beneficial association and the American Radio association.

Scattering Of Plants Urged

Washington (AP)—The possibility of an atomic attack makes it imperative to scatter America's industrial plants, a Senate-House economic committee staff report said last night.

The report added, however, that the actual trend under the government's defense program is toward even greater concentration in existing industrial areas.

The committee staff recommended that the defense production act, which congressional committees are now considering for extension and broadening, be amended with a view to reversing the trend wherever practicable. The present law expires June 30.

The report suggested new provisions aimed at requiring the establishment of new plant facilities to the greatest extent possible "in areas which have greater geographic security from enemy attack."

No adequate government procedure now exists to provide for dispersal under Federal loan programs or under the defense plant tax amortization program, the report said.

Communists Lose Seats In Assembly

Paris, Monday, (AP)—Gen. Charles de Gaulle's new political party, the Rally of the French People (RPF), emerged today as a powerful new force in returns from France's national election, scoring at the expense of middle-of-the-road parties which have ruled the nation for four years.

The Communists, maintaining their place as the largest single party in France on the basis of popular vote, were losing seats in the National Assembly. At the halfway mark the Communist popular vote total was running at 23.7 per cent. The Communists won 28.6 of the popular vote in 1946 in the last National elections.

On the basis of returns as of 4:15 a. m. today (11:30 p. m. Sunday EDT), De Gaulle's RPF had secured 33 seats of the 627 to be filled. Observers said he might pick up at least 100 more. The Communists had lost 33 of the 183 they held in the last National Assembly. The Communist party had secured 41 seats at the halfway mark in the counting of the 20,000,000 ballots cast yesterday, but under the new French electoral law the Communists seemed likely to lose many assembly members.

Foreign Minister Robert Schuman scraped through for reelection to the assembly. His Popular Republican Movement (MRP), which was the second largest group in the last assembly, lost 25 of its 193 seats, mostly to the RPF. Schuman's difficulties were blamed on dislike of his plan for pooling of French and German iron and steel resources in his mining district constituency.

The Socialists picked up three seats and the Left Republicans five. Both parties have joined the MRP and some independents to form cabinets during the past four years.

Premier Henri Queuille, Defense Minister Jules Moch, ex-Premier Paul Reynaud and ex-Premier Edouard Deladier also were reelected to the assembly.

Final results will be a long time coming because of the complex French method of picking winners. Thus it would be some time before it would be clear whether the center parties would have enough deputies to form a coalition to govern.

If this type of combination can no longer be made, it may be hard to find any cabinet at all. No party will join with the Communists, and the De Gaulleists also may find it hard to win allies.

Board Controls Pay Of Bosses

Washington, (AP)—The government served notice yesterday that it will be as tough in approving salary boosts for executives as in okaying pay increases for their workers.

This was announced as a basic policy by Joseph D. Cooper, executive director of the Salary Stabilization board, an agency just getting down to work.

The central objective of the new SSB, he said in a report to Economic Stabilizer Eric Johnston, is "to afford equal treatment under law for employees under its jurisdiction as compared with those under jurisdiction of the wage stabilization board."

Students Lured To Red China

Singapore, (AP)—Glittering promises and "come back to China" groups are luring hundreds of wide-eyed Chinese students from Singapore to Red China. The prospect of becoming leaders of the masses and building a greater China is held out to the youngsters. Police have located undercover rings specializing in this work.

A police spokesman said the exodus began when the Communists took over the government of China 18 months ago.

"These youngsters were fired by appeals to work for the fatherland and they answered the call," he said. "Many left without the knowledge of their parents."

EAST STROUDSBURG GARAGE FIRE—Flames reportedly traced to a blow torch engulf the garage of Lawrence Fisher, 150 Day St., East Stroudsburg, as members of Acme Hose Co. run inch and a half hose lines to the burning structure. A car in garage was pushed out of danger when the fire was discovered.

Blow Torch Starts Fire; Garage Extensively Damaged

A garage on the property of Lawrence Fisher, 150 Day St., East Stroudsburg, was extensively damaged by fire yesterday.

Members of Acme Hose Co., many of them attending church services at the time, were called at 11:20 a. m. after a blow torch used in the garage apparently ignited the building.

Walter Slider Succumbs At Port Jervis

Walter Slider, a former resident of East Stroudsburg, died at 10 a. m. yesterday in St. Francis hospital, Port Jervis, N. Y.

He is survived by his wife, Mrs. Alice Slider, and four daughters, Mrs. Irene Teal, Easton; Mrs. Grace Fredericks, Aldan, Pa.; Mrs. Gladys Mohn, Mohnton, Pa. and Mrs. Gertrude Gilliland, East Stroudsburg; a son, Roy Slider, Port Jervis.

Three step-sisters also survive. They are: Mrs. Gertrude Adams, Stroudsburg; Mrs. Katie Hausel, Berwick and Mrs. Mary Stevenson, Mesa, Ariz.; and one brother, George Slider, Detroit, Mich.

Funeral services will be held Tuesday at 2 p. m. at the home of a step-daughter, Mrs. Charles Love, Port Jervis, N. Y. Interment will be made in a family plot in Stroudsburg cemetery. Friends may call at the residence of Mrs. Love from 7 to 9 p. m. Monday.

Murray Weiss Dies While On Vacation

Murray Weiss, 43 of 1356 Walton Ave., Bronx, was suddenly taken ill yesterday morning and died while en route to the Monroe County General hospital. He had been a guest at a Pocono summer resort.

Dr. William E. Andrew, county coroner, said that the cause of death was coronary thrombosis. The time of the death was 1:35 a. m. yesterday.

Mr. Weiss was born in Poland and was the son of the late Ben and Anna Weiss. He is survived by two brothers and a sister, William Weiss of the Bronx, Samuel Weiss of Astoria, Long Island, and Mrs. Etta Fleisher of Brooklyn.

Funeral services were held at 3 p. m. Sunday in Brooklyn. William H. Clark, Stroudsburg funeral director, was in charge of arrangements. The burial took place in the United Hebrew cemetery, Staten Island, N. Y.

125 Pints Of Blood Set As Goal For Mobile Unit's Visit To Legion Post Home

Seeking a minimum of 125 pints of blood, major share of which will move immediately to the Korean battlefronts, the Monroe county chapter, American Red Cross blood donor program will be again operative here this Wednesday.

LeRoy Mikels, chairman of the program, said the mobile blood donor unit with nurses and technicians, will set up at the George N. Kemp Post, 346, American Legion home from 10 a. m. to 4 p. m., Wednesday.

Bloodmobile At Pen Argyl On Tuesday

Portland—Local blood is needed desperately to help replenish that being lost in Korea. A Red Cross bloodmobile is scheduled to be in Pen Argyl at Zion Methodist church on Tuesday from 1 to 6:30 P. M.

Two hundred volunteers are needed from the State Belt area to donate blood at that time. All 200 are needed to fill the quota of 150 pints of whole blood which will be flown to the Korean battlefields.

Anyone wishing further information on this vitally needed help for the boys in Korea, should contact Mr. or Mrs. Henry Webb, local field representatives for the Red Cross. Their telephone number is Portland 19 R 2.

Child Injured When Struck By Automobile

George Bush, five-year-old son of Mr. and Mrs. C. G. Bush Jr., Stroudsburg RD 3, escaped serious injury last night when he accidentally ran in front of a car when walking with his sister on Chipperfield drive in Stroud township.

The car was unable to stop in time, and the lad suffered slight bruises and cuts when hit a glancing blow by the automobile. Wayne D. Metzgar, of Anasomink, the driver, took the lad to Monroe County General hospital for examination.

Hospital authorities said last night that the lad's injuries appeared only superficial, but added that he was held overnight for observation.

Motor Cars In Collision

Marshall Creek—Two Philadelphia area motorists were involved in a collision on the Winona Five Falls road north of here in Middle Smithfield township shortly after 10:45 a. m. yesterday.

Cars operated by L. Merrick Wood, 33, of 210 S. Thirty-Ninth St., Philadelphia, and Joseph W. Maxwell, of 412 Sylvania Ave., Glenside, sideswiped on the legislative route, according to Pfc. Peter E. Sabinsky, of Stroudsburg State police.

Both cars were driven from the scene, however. The Wood vehicle was a 1950 heavy model sedan coupe, while Maxwell was driving a 1951 sedan.

Investigation is being continued.

Father's Day Has Six-Fold Meaning For Local Navy Personnel Man On Board USS Shadwell

Father's day is one day looked forward to by Jacob H. Pensyl, a first-class personnel man on board the USS Shadwell, for he has the distinction of being the proud father of the largest family of any member on board the ship.

Yesterday, the 27-year-old father received "love and congratulations" sixfold. Five young girls and one boy answer the roll-call in the Pensyl household. The boy and his twin sister are two and half years old.

The Shadwell, Pensyl's present duty station, is a landing ship, dock vessel attached to the U. S. Atlantic Amphibious force, commanded by Vice Adm. R. P. Briscoe, USN.

A native of Pennsylvania, Pensyl is the son of Mrs. Irene E. Pensyl of Stroudsburg RD 2, and the husband of the former Ida Lorraine Carlson of Eastington, Pa. He enlisted in the Naval service upon graduation from Stroudsburg High school and received his recruit training at Newport, R. I., and was first assigned to the USS Mt. Vernon (P-22).

While at New Caledonia he was transferred to the USS Montpelier, a light cruiser. He was later assigned shore duty in Philadelphia for four years. In

the summer of 1950 while on duty at Newport, R. I., he inaugurated and operated the personnel office of the Reserve Officers Candidate school.

In September of last year, he was ordered to the USS Shadwell, the day after it was reactivated at Orange, Texas. He has been serving on board since that date.

During the war he served in both Atlantic and Pacific theaters of operations. He was on duty in the North Atlantic at the end of World War Two.

Pensyl has three relatives in the service, all brothers-in-law, two in the Navy and one in the Army.

Fresh Air Coupon On Page Two

An easy-to-use coupon for inviting Fresh Air children from New York City for two weeks in the Poconos starting July 10 is carried on Page 2 of today's issue of The Daily Record.

Applications should be mailed to The Daily Record, or call Radio Station WVPO, 1102.

College Plans Driver Clinic

Howard R. DeNike, instructor in health and physical education at the East Stroudsburg State Teachers College, announced last night that there will be a safety driver-training clinic conducted at the college from June 25 through June 28.

The clinic will be sponsored by the Atlantic Refining Co. They are sending George Lowe, director of traffic safety education, who, with Mr. DeNike, will be in charge of the clinic.

Three expert driver-teachers will give unusual demonstrations of driving with cars specially made for this purpose. Movies on highway safety and other equipment will also be presented at the clinic.

College students, faculty members, and any other interested persons are invited to attend the clinic.

West Catasauqua Women Hurt In Automobile Crash

Ross Common—Two persons were injured late yesterday when the automobile, in which they were riding, was struck by another machine on Route 115 here.

Mrs. Ardella B. Schlauch, 38, of 1228 Main St., West Catasauqua, suffered injuries to the head and arms and possible internal injuries, while Joan Schlauch, 17, received injuries of the head and right arm.

Both received emergency treatment from a Wind Gap physician, after the Wind Gap ambulance was called.

Brookside State police said the injured were riding in a car owned and operated by Lohr Schlauch, 39, of the same West Catasauqua address, when the Schlauch sedan was hit by another driven by Dora M. Stuber, 67, of 728 N. Eighth St., Allentown.

The Stuber car was traveling south on Route 115 when it went off of control, police said. It shot off the right side of the highway and was brought back on again, but then swung over into the northbound lane where it collided with the Schlauch machine.

Moderate Flow Of Traffic Noted Over Weekend

Traffic over Pocono Mountain regional highways ranged from "moderate" to "fair" yesterday on the last weekend of the official spring season.

Stroudsburg State police reported that two-way traffic on Route 611 at the slide section near Stateford was maintained all day with Highway department watchmen remaining on duty there.

Reversion to one-way traffic there is expected today when Plummer Construction Co. crews return to the task of removing a large section of the steep slope on the west side of the highway.

Three Suffer Severe Hurts In Accident

Scotrun—A mother, her two-year-old daughter and a 23-year-old Susquehanna county man were seriously injured here last night when the cars in which they were riding met in head-on collision in the middle of Route 611 near Redwood park.

State police of the Mount Pocono substation identified the injured as Mrs. Shirley Hulse, 26, of 7 Main St., Hackettstown, N. J.; her two-year-old daughter, Carol Ann; and Carl Olver, of Hopkinton, Susquehanna county, operator of one of the cars.

Passing motorists rushed Mrs. Hulse and the baby to Monroe County General hospital as soon as they were taken from a 1942 model sedan owned and operated by Daniel L. Hulse, 41, husband and father of the two.

The hospital's ambulance was called to remove Olver.

Condition of all three was described as "fair" at the hospital at midnight.

Mrs. Hulse sustained a broken nose, an injury to her right eye, lacerations of the left leg, and possible fractures of the ribs.

The baby was said to have received multiple lacerations of the scalp, abrasions of both knees and a possible fracture of the skull.

Olver suffered lacerations of the forehead and a possible skull fracture.

Pfc. George Vozneski, investigating State trooper, said Olver was driving a 1937 sedan owned by Kenneth Frank Tripp, of Conklin, N. Y., RD 1.

Tripp, who was a passenger in his own car at the time, and Daniel Hulse both escaped unhurt.

Dexter Lyons, a U. S. soldier whom Tripp and Olver had picked up a short time before the accident, also came through the head-on crash unscathed.

Trooper Vozneski said Olver had been driving south on Route 611 and had just passed from the four-lane area to the three-lane section.

Sub-Contract Work Offered Local Plants

Local manufacturers are invited to a Pocono Mountains Chamber of Commerce board of directors meeting in Penn-Stroud hotel at noon today to discuss possibilities of handling sub-contract work for the Minneapolis-Honeywell Regulator Co., Brown Instrument Division, Wayne and Windrim Ave., Philadelphia.

This firm is seeking sub-contractors for the following products: Chamber of Commerce officials announced during the week-end.

Swiss automatic screw machine products, wire feed screw machine products, turret lathe products. No. OGG Brown and Sharpe screw machine products, No. OG Brown and Sharpe automatic screw machine products; No. G. Brown and Sharpe automatic screw machine products.

Chamber officials said all materials will be supplied and delivered by the prime contractor. The company will sub-contract about 15,000 machine hours of work this month and 20,000 to 25,000 machine hours of work monthly for the remainder of the year. Between now and the end of the year there will also be approximately 20,000 hours of tool and die work to be sub-contracted.

Manufacturers within 100 miles of Philadelphia must have at least five machines available. Interested operators in this community will be given full information on whom to contact and where at today's meeting of the chamber.

when the accident occurred.

Olver pulled out to pass other cars on the highway and, at the same time, Hulse, heading northward on the thoroughfare, swung to the center lane to pass other northbound cars.

The vehicles, virtually demolished, were towed to a Tannersville garage.

Capt. Myers To Take Over Duties Soon

Tobyhanna—Capt. John A. Myers, who has been assigned by Col. Ralph E. Cruse, district engineer of Philadelphia district, Corps of Engineers, U. S. Army, as resident engineer for construction of the Signal Corps depot here, will take over his duties promptly to handle the first phases of the construction work here.

Invitations to bid on the first phase of construction of the Tobyhanna project—clearing and grubbing, excavation, drainage and rough grading—will be opened tomorrow at 10 a.m. in the Philadelphia district office.

As announced Saturday by The Daily Record, Captain Myers is a member of the organized Reserve Corps of Army Engineers. He was recently recalled to duty and assigned to the Philadelphia district.

Myers is a graduate of the Massachusetts Institute of Technology. During World War Two he served five years in the Coast Artillery. For three years he was on troop duty in the United States, and for two years he was an engineering staff officer with the base engineers at Oro Bay, New Guinea and Batangas, Philippines Island in the Southwest Pacific area.

Miss Ruth Nielsen Becomes Bride Of Albert P. Treible

Standing beneath a rose covered arbor, Miss Ruth Nielsen, daughter of Mr. and Mrs. Hans G. Nielsen, of 51 Bridge St., Stroudsburg, was wedded to Albert P. Treible, son of Mr. and Mrs. Charles Treible, of 1410 N. Fifth St., also Stroudsburg, at Pilgrim Holiness church at 2:30 p. m., Saturday.

Rev. Edward T. Huston, pastor of the church, was the officiating clergyman. Included in the church decorations was the white aisle runner extending from the vestibule to the altar. A small spray of roses fastened with white satin ribbon decorated the end of each pew.

The bride who was given in marriage by her father, wore a gown of lace trimmed marquisette over white slipper satin with a fitted bodice and illusion yoke bordered by a Bertha collar of lace. The long tight sleeves ended in points edged with lace and the full skirt ended in a train. Her fingertip veil of illusion net fell from a beaded crown. She carried a cascade arm bouquet of white roses and baby's breath.

The matron-of-honor was Mrs. Paul Nielsen, of Bristol, Conn., while Mrs. John Norton, of East Stroudsburg, acted as bridesmaid. The flower girl was Miss Joan Norton, daughter of Mr. and Mrs. John Norton, of Stroudsburg.

The bride wore a pink gown with a lace blouse and a full skirt and aash of bibbed taffeta. Her pink shoulder length veil hung from a matching tiara. Mrs. Norton, the bridesmaid was similarly attired in blue. They both carried cascade bouquets of Esther Reed daisies and baby's breath.

The flower girl wore a gown of yellow organza with net overskirt dotted with lilac colored rosettes and carried a basket of mixed flowers.

The best man was Paul Nielsen, brother of the bride, of Bristol, Conn., while the ushers were John Norton, of East Stroudsburg, and Kendall Cramer, brother-in-law of the bridegroom, of Stroudsburg. Paul Warner, son of Mr. and Mrs. Robert Warner, served as junior attendant.

The bride's mother wore a blue silk street length dress with white accessories. The mother of the bridegroom was also attired in blue silk street length dress with white accessories. They both had corsages of pink roses.

A reception followed the wedding for 75 guests at the home of the bride. The table was centered with a large six-layer cross-shaped cake upon which was placed a miniature bride and bridegroom. Two double candleholders were placed at opposite corners of the cake. The room was beautifully decorated with white crepe paper and wedding bells and roses.

Mr. and Mrs. Treible left on a wedding trip to Niagara Falls and points in Canada. The bride wore an aqua summer suit with white accessories and an orchid corsage. They will make their home at 461 Oakwood Ave., Stroudsburg.

The bride is a graduate of Chestnut Hill High school and Churchman Business College, Easton, and is employed in the office of the Empire Box Co. Inc. The bridegroom, a graduate of Stroudsburg High school, is employed at the Stroudsburg hosiery mills.

Auxiliary To Help Firemen At Carnival

Mount Pocono — The Ladies auxiliary of the Pocono Mountain Fire company met on Tuesday night in the fire hall with 24 members in attendance. Mrs. Ray Simmons presided during the business meeting at which time routine matters of business were transacted.

Louis DePaul, representing the fire company, was present and stated the firemen would assist the auxiliary in the usual manner in carrying out their projects for the annual carnival which will be held July 23-28 inclusive. The ladies will again be in charge of the food, soft drink and ice cream concessions.

Mr. DePaul also mentioned that the firemen would like the auxiliary to serve meals to those assisting with the erection of stands on the carnival grounds on the Saturday and Sunday prior to the carnival and on the Sunday following when the stands would be dismantled.

Mrs. Simmons welcomed one new member, Miss Mae Foley and appointed her hostess committee for the June 26 meeting which include: Mrs. Paul Falor, Mrs. Paul DeSanto, Mrs. Norman Farnsen and Miss Esther Foley. Mrs. LeRoy Cruise and her committee served refreshments at the close of the meeting.

Jean Trach Sets June 24 Wedding Day

Saylorsburg — The marriage of Miss Jean Trach, daughter of Mr. and Mrs. Thomas Trach, Saylorsburg, to Samuel Callie, son of Mr. and Mrs. Harry Callie, East Bangor, will take place, Sunday, June 24, at Lady of Mt. Carmel Church, Roseto.

Miss Angelina Romano, cousin of bridegroom, will act as maid-of-honor and Miss Carol Bysher, friend of bride, and Miss Jeanne Person, cousin of bride, will act as bridesmaids.

Harry D. Callie, brother of bridegroom, will serve as best man. The ushers will be Ralph Stampton and Albert Janetti.

A reception will follow for the immediate family. After a southern wedding trip they will be at their newly furnished home in East Bangor.

Services Held At Portland For Children

Portland — A combined service of worship and Children's Day was held on Sunday morning, June 10 in the Methodist church of town. Rev. Merritt Godshalk, pastor, Dr. John Wildrick, superintendent, presided.

The choir rendered a selection with Mrs. Merritt Godshalk and Miss Ruth Ervey taking solo parts. Mrs. Godshalk presented to each member of the Junior Fellowship a revised Standard Version of the New Testament for their faithful attendance at Jr. Fellowship during the past year.

The Children's Day program followed with recitations, songs and exercises by the pupils of the primary department under the direction of Mrs. John Ribble assisted by Mrs. John R. Wildrick Jr. and Mrs. Arthur Oyer.

Pupils participating were: David Farleigh, Jackie Court, Jimmie Wheeler, Louise and Jane Oyer, Kitty Barr, Linnie Wildrick, Terry Wildrick, Jackie Barr, Karen Harvey, Kay Ribble, Jimmie Eickoff, Ronald Angle, David Stoddard, Nancy VanWhy, Rusty Reimer, Paul Sigafoss, Sandra Singer, Cynthia Singer, Louise Ribble, Fred Angle, David Harvey, Bobbie Drake, Della Singer, Janice Harvey, Jane Rusling, and Betty Barr.

The church was beautifully decorated by Mrs. Lloyd Newbaker, Mrs. Daisy Decker and Mrs. John Wildrick.

Becker-Gagnon Wedding Performed On Saturday

The East Stroudsburg Methodist church was the scene of the wedding of Miss Doris Ann Gagnon, daughter of Mr. and Mrs. Paul O. Gagnon, of 104 Prospect St., East Stroudsburg, and James Walter Becker, son of Mr. and Mrs. Earl F. Becker, of 68 N. Third St., Bangor.

The double ring ceremony was performed at 11 o'clock Saturday morning before the altar banked with laurel blossoms by Rev. Harold C. Eaton, pastor of the church, in the presence of many relatives and friends.

The church organist, Ernest Michelfelder, played suitable wedding music before and during the ceremony. Miss Doris Haase, of East Stroudsburg, soloist, sang "I Love You Truly," "Because" and "O Promise Me."

The bride was given in marriage by her father. She was attired in a white lace ballarina length strapless gown with jacket with long pointed sleeves, high collar, matching lace cap with nylon illusion shoulder length veil. She carried a white Bible on which was an all white orchid with streamers linking baby's breath.

The maid of honor was Miss Joan H. Chobey, of 343 Crystal St., East Stroudsburg, who wore a light green net ballarina length gown trimmed in lace with matching hat, mits and shoes. She carried a colonial bouquet of mixed spring flowers tied with matching green ribbon.

Earl F. Becker was his brother's best man. The ushers were William Straub and Barry Becker, brother of the bridegroom, all of Bangor.

The bride's mother wore a navy blue sheer dress with white accessories and the bridegroom's mother also a navy blue sheer dress with navy blue accessories. Both wore corsages of yellow roses.

The ceremony was followed by a reception at the CLU club from noon on for several hundred people including many guests from out of town and relatives from Montreal, Can. The bride's table was centered with a huge three-tiered square wedding cake surmounted with the traditional miniature bride and bridegroom. The table was decorated with spring flowers. An orchestra from Scranton furnished the dance music.

The newlyweds are enjoying a week's honeymoon visit at Atlantic City, N. J. The bride's traveling attire consisted of a black and white dress suit with white accessories and a pure white orchid corsage. They will be at home to their friends after July 1 at 41 S. Tenth St., Easton, in their newly furnished apartment.

The bride is a graduate of East Stroudsburg High school in the class of 1949. She is a telephone operator and has been transferred from Stroudsburg to the Easton office.

The bridegroom, who was graduated from Bangor High school in the class of 1945, attended Teape, Arizona State College and graduated from Kutztown State Teachers College and is studying for his masters' degree at Lehigh University, Bethlehem. At present he is engaged as a teacher in the Hay building, a Wilson Borough school.

Wedded by J. of P.
John William Miller and Corinne Jamie Slutter called at the office of Justice of the Peace Marshall H. Neyhart, Washington St., East Stroudsburg Saturday night where they were joined in the bonds of wedlock. They were attended for the wedding.

Church Group Complete Plans For Aug. Bazaar

Tannersville — The Altar and Rosary society of Our Lady of Victory church met on Thursday night in the basement auditorium. One new member, Mrs. Kennedy, of Bartonsville, was welcomed. The main topic was the bazaar to be held Aug. 11 for which complete plans are being made.

The new surplices and cassocks for the altar boys have been received. Mrs. Stadden has the linen started for the finger tip towels for the altars. Mrs. James Coco and Mrs. Caroline Vineyard have the care of the altars for this period.

Mrs. Robert Stadden served as treasurer of this meeting, in place of Mrs. Caroline Vineyard who was detained by illness. Mrs. August Hildt and Mrs. Robert Stadden were hostesses. The prize for the evening was won by Mrs. Hugh Malone and donated by Mrs. Louis Martindell.

Those who attended were: Mrs. Ed. Kabalac, Mrs. Robert Stadden, Mrs. August Hildt, Mrs. Roderick, Mrs. Kennedy, Mrs. John Tagye, Mrs. Hugh Malone, Mrs. David Lindsted, Mrs. Francis Mobney and Mrs. Tagye's son.

Anna Henry, Harry Zeruth Are Wedded

Portland — Miss Anna May Henry, daughter of Mr. and Mrs. Raymond Henry, of Stroudsburg was married on Saturday to Harry F. Zeruth, son of Mr. and Mrs. Louis F. Zeruth, of Portland.

The Rev. George A. Weidman performed the ceremony at the home of the bridegroom. A reception followed. Mr. and Mrs. Wallace McLain, of Portland, attended the couple.

Mr. Zeruth is employed by Tippet and Wood at Phillipsburg, N.J.

Crusaders Will Install New Spotlights

Bartonsville — The June meeting of the Berean class of St. John's Lutheran Sunday school was recently held at the parish house. Mrs. Joseph Starnier, president of the class, presented the Bible study for the night. The scripture reading was given by Mrs. Elmer Marsh.

Following the devotional period a brief business meeting was presided over by Mrs. Starnier. Plans were made to install several spotlights to be used for additional lighting of the grounds. Refreshments were served from a table gayly decorated with spring flowers. Hostesses were Mrs. Samuel Dunbar and Mrs. Margaret Halstead.

Attending were: Mr. and Mrs. Joseph Starnier, Mr. and Mrs. Elmer Marsh, Mrs. Samuel Dunbar, Mrs. Clyde Boehler, Mrs. Daisy Allegar and Mrs. Richard Metzger.

The July meeting of the class will be held on July 6 with Joseph Starnier and Elmer Marsh as hosts.

East Stroudsburg Couple Joined In Holy Wedlock

Miss Constance Mae Hartzell, daughter of Mr. and Mrs. Clair H. Hartzell, of 516 N. Courtland St., became the bride of Graydon Foster Nevil, son of Mr. and Mrs. Graydon Nevil, of 148 Day St., East Stroudsburg, at a quiet but impressive wedding Saturday afternoon.

The ceremony was performed at the East Stroudsburg Methodist church with Rev. Harold C. Eaton, pastor, officiating. Bouquets of spring flowers were used for the church decorations. Wedding music was furnished by Ernest Michelfelder, church organist.

The bride, who was given in marriage by her father, wore an aqua organza gown with brocade flower long pointed sleeves on a bolero jacket and white accessories. She carried a ballarina bouquet.

The maid-of-honor was Miss Vivian Hartzell, sister of the bride. She wore a pink nylon dress with white accessories and also carried a ballarina bouquet, similar to that of the bride.

William L. Hudock acted as best man.

The bride's mother wore a print dress of pink and gray with white accessories and a corsage of pink roses. The mother of the bridegroom chose a tan dress with white accessories. Her corsage was made up of Talisman roses.

A small reception for immediate members of the families and friends was held at the bride's home following the wedding ceremony.

Mr. and Mrs. Nevil left later on a wedding trip of unannounced destination. The bride chose a light tan suit with red accessories and a corsage of red roses for traveling. On their return, they will reside in their newly furnished home, 77 Broad St., East Stroudsburg.

Cuts Grass, Cultivates, Plows Snow

Attention outdoor men!! Have you ever thought that you could own a machine that would cut grass, cultivate your garden, and plow snow. Believe it or not there is just such a machine today on the market reasonably priced to suit the average home owner's pocket. This outstanding machine is the Choremaster.

This is where the versatile Choremaster comes into its own. This precision built one-wheel garden tractor is really a year-round labor saver as the Choremaster can be used in the spring time for cultivating, cutting grass in the summer, sharpening tools or cutting wood in the fall and snow plowing in winter time. This can all be accomplished with a variety of attachments that can easily be installed in a matter of minutes.

Joseph H. Andre, of Stroudsburg RD 2, is the representative for the Choremaster in this area. Here are some of the advantages and features of the outstanding machine.

One practical unit for all your jobs. Through precision built gear reduction, the Choremaster puts all the power of the 2 to 3 h.p. air-cooled engine into doing the job. From an economy angle the Choremaster offers small investment yielding years of dividends. Initial cost of Choremaster and attachments is amazingly low. Maintenance and gas consumption are negligible. This versatile machine is engineered and precision built by one of the industry's famous firms. The Choremaster is produced to bring you top quality.

Between the row cultivation—the one wheel feature of the Choremaster permits cultivation at any time during the growing season. Operation ease—proper weight distribution makes the Choremaster well balanced and easy to handle. Clutch and throttle on the handles provide fingertip control. Attachments—The attachments are either mounted from front or rear of the Choremaster in a matter of minutes, enabling quick change for numerous jobs. Centrifugal clutch—This accessory provides complete control of the Choremaster by the throttle, saves engine life and makes

attachments easy to handle.

Some of the attachments that can be installed on your Choremaster in a matter of minutes include a sickle bar, belt reduction and gear box type. These are the mowers for heavy duty grass and weed cutting. Thirty-two inch sickle bar is driven from the tractor's high speed power take off. Trims close to fences. Easily maneuvered in and out of corners. Three points of ground contact permits mowing over all ground contours. Gear box type with anti-friction bearings throughout bevel gear box and pitman for long life.

It also has a Seedmaster seeder for planting large area. Attaches easily to Choremaster; driven by slow power take-off. Centrifugal clutch feature controls seeds at all times; for every type of garden seed.

Hitch your present hand mower to Choremaster power and this low cost universal hitch does the trick. Merely substitute universal lawn mower hitch for the present handle, attach to Choremaster and presto! A power mower.

There is an air compressor which is attached to Choremaster power which does work in a matter of minutes, which ordinarily takes hours to do. Indispensable for the general upkeep work, painting, fumigation, disinfecting, greasing and tire pumping. Supplies three cu. ft. at 60 lbs. pressure.

Walks and drives clean in a hurry with the "Choremaster" snow plow. Broad sweep all-steel blade cuts 24 inch path even in deep snow. Use plow for leveling and light grading when winter's

Father, Son Face Charges After Wreck

A father and son will be arraigned before Justice of the Peace Marshall H. Neyhart at 7 tonight on a series of charges resulting from an auto collision near their home in East Stroudsburg shortly after 9:40 p.m. Saturday.

East Stroudsburg police yesterday identified the defendants as Fred Hinehine and his son, Carl, both of 467 Lincoln Ave.

According to Assistant Chief Travis J. Seese, who with Officer Donald G. Quick, investigated the incident, the Hinehines were driving eastward on Lincoln Ave. Saturday, apparently en route to their home, when their car veered into the path of an oncoming car, struck it, and then smashed into a parked vehicle.

The other motorist involved was Salem M. Thomas, who resides at the Monroe County YMCA, Stroudsburg. Chief Seese said Thomas was headed in the opposite direction on Lincoln Ave. when the Hinehine car, owned by Fred Hinehine and operated by Carl Hinehine, bore down upon Thomas.

The Hinehine machine struck the front left section of Thomas' sedan, then veered to the right and damaged a car owned by Robert Pugh, 350 Lincoln Ave. Pugh had previously parked his machine in front of his home.

Police said both Hinehines were held, Carl for excessive speeding and disorderly conduct, and Fred Hinehine for drunken and disorderly conduct.

Miss Jenkins Is Graduated

At the graduation ceremonies held last week at Kenwood High School, Baltimore county, Md., Miss Lee L. Jenkins, formerly of East Stroudsburg, graduated with scholastic honors.

The commencement was held in the Baltimore Polytechnic Institute auditorium in Baltimore City, the spacious quarters being thronged by the 250 graduates and their friends.

Miss Jenkins is the daughter of Mr. and Mrs. George L. Jenkins of Oliver Beach, Baltimore county. The family formerly resided on Washington St., East Stroudsburg. Miss Jenkins is the granddaughter of William P. Deering, formerly editor of The Daily Record.

An accomplished photographer, Miss Jenkins was the official senior class photographer of the school. She has been accepted for enrollment in the University of Maryland in September.

PLANNING DETAILS of the fashion to be held in connection with the Laurel Blossom Festival ball at Shawnee Inn, Wednesday at 8 p. m. are Fran Gardner, fashion coordinator for Fabrics by Joyce, New York City; Walt Fossa, publicity director for Laurel Festival and Percy Lembke, owner of Fabrics by Joyce.

Experts In Fashion World Coordinate Details For Laurel Blossom Ball On Wednesday Night

Shawnee-on-Delaware — Fashion experts from New York City spent the week-end here coordinating details of their show which will be one of the main features of the Laurel Blossom Festival Ball Wednesday night at Shawnee Inn.

The ball, topped by the crowning of Miss Ruth Hussey, stage and screen star, as Queen of the 1951 Laurel Festival, will feature Tommy Tucker's orchestra for dancers. Miss Hussey, who will star at Pocono Playhouse the week of June 25 in "The Royal Family", was obtained for the Laurel committee by Mrs. Rowena Stevens, operator of the playhouse.

Walt Fossa, publicity director for Laurel Blossom ball, was host to the fashion experts Saturday night at the Penn-Stroud hotel.

Percy Lembke, head of the firm of Fabrics by Joyce, brought his top fashion co-ordinator, Fran Gardner, here to complete arrangements for a seven-star fashion show on the Green Terrace at Shawnee Inn at 8 p.m. Wednesday.

Added to the showings already set up will be the well known designer of Catalina bathing suits, Grace Arcuri; L. Miller and their newest creations in ladies shoes, and the young woman who made glamorous the use of scarves, Emily Wetherby.

Other top figures in the fashion world who will complete the carefully staged event include Cecil Chapman, designer of clothes for Ginger Rogers and Elizabeth Taylor, with an evening gown show; Emily Wilkes, famous teen-age stylist; Clair MacArdell and her famous young American women's styles; Alan Graham with the Parisienne flavor in ladies' clothing.

Tommy Cullen and his musicians will provide background music for the show.

Miss Tony Spaulding, famous radio fashion commentator, will describe the numerous styles. Grand Laurel Time ball starts immediately after the fashion show. Dancing will be in the main lounge of Shawnee Inn.

Coronation ceremony is scheduled to take place promptly at 11 p.m. with Ted Malone, American Broadcasting Co., commentator, placing the special Laurel Festival crown.

Each of the princesses who will serve in Miss Hussey's court will be individually introduced and take their proper places in the court.

Dress for the affair will be completely optional, Mr. Fossa said yesterday.

He also announced that three more princesses have been added to the Laurel Queen court, making a total of 21. Recent additions are:

Ann Durkin, hostess at Skyline Inn. Miss Durkin is a recent graduate of Maryland College. She is 22 with dark brown hair and blue-grey eyes. She is five feet

eight inches tall. Betty Waltz, 20, of Sterling hotel, South Sterling, has red hair and brown eyes. She has completed her junior year at Cornell. Miss Waltz is five feet three inches tall and weighs 130 pounds.

Nine Weber, of Shawnee Inn, Shawnee-on-Delaware, where she works is the third addition to the princess list. Miss Weber was selected after winning in a contest in her own territory.

Tickets have been placed at convenient centers all over the Pocono Mountains region. A call to Stroudsburg 3598 will provide information on the sales point nearest the caller.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 8 or more, subtract 4. If the number is less than 8, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Saturday's Cryptogram: THE PYRAMIDS THEMSELVES, DOTING WITH AGE HAVE FORGOTTEN THE NAMES OF THEIR FOUNDERS—FULLER

FORD OUTVALUES THEM ALL

In "GO"! FROM 0 TO 60
IN 23 SECONDS!

Only Ford, in the low-price field, can offer you V-8 GO and at hundreds less than most sixes... only Ford offers you a choice of V-8 or Six engines! And Ford alone in its field, offers you your choice of three great transmissions: Fordomatic Drive,* Overdrive,* and Conventional Drive.

In Ride!

THE ONLY CAR WITH
AUTOMATIC RIDE CONTROL!

Cars costing many hundreds more, can't beat Ford's smooth, level, bounce-free ride. New Automatic Ride Control is the secret! It's a team of new ride features that automatically and continuously adjusts Ford's ride to each and every changing road condition!

In Room!

YES, ROOMIER THAN ALL
OTHERS IN ITS FIELD!

Only Ford in all the low-price field offers you a full five feet of hip room. Ford's trunk... with over 24 cubic feet of volume... is at least one suitcase bigger than that of any other low-priced car!

In Savings!

WITH FORD AUTOMATIC MILEAGE MAKER!

Only Ford, in its field, offers you this power-boosting, fuel-saving feature. It matches timing to fuel charges to squeeze all the "go" from every tankful of gas you buy... gives high compression zip with regular fuel!

In Looks!

WIDEST SELECTION OF MODELS... WIDEST CHOICE OF
COLOR, UPHOLSTERY AND TRIM COMBINATIONS IN ITS FIELD!

With sixteen different models, Ford offers the greatest choice in the low-price field. And Luxury Lounge Interiors are "Color-Keyed" to exterior finishes.

In Handling!

WITH THE MOST BRAKES,
THE LIGHTEST STEERING!

Ford offers you the greatest gross brake lining area of all low-priced cars. For easy steering under all conditions, you can't beat Ford's Centramatic steering!
